Application for Cost Sharing Program, Spring 2025

Please fill in the requested information as best you can, this information is needed for the approval process as well as annual reporting required by the State. Missing information will delay any reimbursements.

If controlling more than one weed on the same section, please split up the acreage. (If you sprayed 100 acres, of both Thistle and Wormwood, please split the acres for each, so they total the 100 acres, ex. 50/50 or 30/70 etc). ATTN: Cost Shared Applications are subject to random checks by Members of the Weed Board.
